

The SPCA of SWMI offers a lasting way to remember and honor a beloved pet, family member or friend. Cherish their memory with a personalized, engraved commemorative brick, permanently installed along the walkways on the SPCA grounds. The bricks are beautifully engraved, weatherproof, and will last for many years as a reminder of a loving friend and companion.

Your purchase will also have the added benefit of helping to support the local SPCA and our mission of rescuing abused, abandoned animals, providing a safe, nurturing place for recovery, and adopting them into loving families.

COMMEMORATIVE BRICKS

Walkways With A Message

The path to our heart is often paved with pawprints
