

ANNUAL REPORT
2022

WE SAVE ANIMALS. IT'S WHAT WE DO.

SPCA of Southwest Michigan has been dedicated to rescuing homeless dogs, cats, puppies, and kittens since 2002.

This year we want to thank you for helping us maintain our mission. Intakes are still outpacing adoptions; veterinary care has become harder to access and increased by 30%; thanks to you, ALL animals were fixed, vaccinated, and chipped. Additional care was provided, our food pantry maintained a significant increase, AND we were able to pay off the building! Your continued support will help us move toward our long-term goals of caring for even more pets. We couldn't do it without you!
